**Subject:** Topics for 2022 Roundtable

I'd be interested in the following topics:

- Bond Volume Cap amount availability
- Award system for 4% LIHTC/bond deals
  - o Priorities vs. first come, first serve vs. other?
    - The priorities since September 2020 have been targeted in a way that doesn't fit a large majority of deals
- Underwriting & fee schedules for 4% LIHTC deals

Thanks,
