

INSPECTOR PRIORITY ZONES

Effective December 21, 2019

As of December 21 2019, the State will be divided into three (3) priority inspection zones. This means there will be one inspector who is the priority inspector for a zoned area. However, should any Authority inspector have a lighter or heavier workload in their priority zone, another Authority inspector will cross over and conduct inspections in a zone that is not their priority zone area.

Following are the priority zone areas each inspector is currently assigned to:
