Subject: RE: Grocery Store Clarification

A Dollar General Store would not count for points but a Dollar General Market, their new grocery store chain, would appear to be acceptable for points.

Subject: Grocery Store Clarification

Laura,

I just want to verify that Dollar General Markets are acceptable grocery stores. The "Market" carries fresh produce, meat (hamburger, steak, chicken, etc.) and other standard grocery items. They do not have a meat counter but they do supply fresh meats. Will this qualify? Thanks for your help.
