Good afternoon, Tom,

The preservation points in the Rehabilitation Set-Aside apply ONLY to HUD properties with project-based rental assistance currently in our Contract Administration program.

The preservation points in the Rehabilitation Set-Aside do NOT apply to properties with RD rental assistance.

Please let me know if you have questions.

Thanks,

Points will be given to the preservation of an existing Authority administered HUD Project Based development.

Does this mean project based rental assistance? What about RD rental assistance?

Thanks.
