Utilized a paperless document management file storage system which provides both management and caseworkers immediate access to applicant and participant files and reduces the administrative requirements associated with filing and retention requirements. 5. Partnered with the South Carolina Department of Mental Health through a Memorandum of Understanding to assist with the implementation and administration of a rental subsidy program, which includes case management services, to assist those families that might not otherwise be capable of living independently. Also contracted with the South Carolina Department of Health and Human Services to assist with the implementation and administration of a rental subsidy program under the Home Again Program to re-integrate families transitioning out of institutions back into the community. 6. Law 113-4)**

The South Carolina State Housing Finance and Development Authority (the Authority) administers only the HUD Section 8 Housing Choice Voucher and Homeownership Voucher and the Tenant Based Rental Assistance programs.

When the Authority is advised or becomes aware of incidences of domestic violence, dating violence, sexual assault or stalking, participant victims are advised to inform law enforcement personnel in order to ensure for their safety, obtain assistance in addressing their mental and physical needs, and to document incidents as they relate to the application of VAWA.

The Authority has implemented and vigorously enforces the protections provided by VAWA. All program participants and owners/landlords were initially notified of the provisions outlined in VAWA through a mass mailing on August 16, 2006.

The information concerning the protections provided by VAWA was incorporated into the new Participant Handbook, the Authority's Administrative Plan, and is discussed in participant and owner briefings. In, July, 2009 a VAWA brochure was developed in-house for future mail-outs and the brochure can be accessed from the home page of Authority's website www.SCHousing.com. In addition, VAWA posters have been developed in-house and placed in various locations within the Authority, including the main lobby.

 - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
