

## **2020 Housing Trust Fund Program**

# **Bulletin #2**

**December 13, 2019**

### South Carolina Housing Trust Manuals

The 2020 HTF manuals, forms, and applications are posted to the SC Housing website and are effective as of December 13, 2019. All applications, initial work write-ups, inspection requests, and change orders submitted after December 13, 2019 will be subject to the guidelines set forth in the 2020 HTF manuals.

All existing nonprofit organizations are required to re-apply for approval to participate in HTF activities under the new guidelines set forth in the 2020 HTF Nonprofit Participant Manual by March 13, 2020. After such time, the nonprofit will not be eligible to submit any new applications for funding until such time as an application for participation under the 2020 HTF Nonprofit Participant Manual has been approved by SC Housing.

For those nonprofit organizations planning to participate in the Housing Trust Fund Repair Program that were unable to attend the mandatory 2020 Nonprofit Participation Workshops held in November 2019, a makeup session will be held in January/February 2020. More details regarding this event will be disseminated soon.
