Purchasing a new home is an important decision, and finding the right mortgage can be both confusing and overwhelming.

There are many loan options to consider, but if you are looking for a fixed-rate mortgage to purchase a first-time home, or if you are thinking about moving to another home, talk to your lender about the SC Housing Palmetto Home Advantage program.

The program offers FHA, VA and USDA government loan options and Fannie Mae and Fannie Mae conventional options with forgivable down payment assistance. There are no first-time homebuyer requirements and new and existing homes are eligible.
